AGARJYOTI

MAHARAJA AGRASEN MODEL SCHOOL

EVERYBODY
WANTS IT CLEAN.
BUT NO ONE
WANTS TO GET
DIRTY.

The only way
to clean
Delhi is to
get our
hands dirty.
No fund
raising, no
finger
pointing, no
speeches.
So, let's get
dirty to
clean. Let's
make news
better

Cleanliness and Happiness

Cleanliness! Cleanliness! Cleanliness!
Cleanliness gives you happiness! Happiness!
Happiness!
For cleanliness is next to Godliness! Godliness!
Godliness!

Keep your surroundings very clean,
Dust and tidy, wash and preen,
Spic and span-it must seem,
In an environment that does gleam.

Flush all evil thoughts from your mind
And gush it with love and ever be kind;
Honesty and sincerity, goodness and
cheerfulness
Implanted, will make one bounce with happiness.

CONTROL POLLUTION

There is a huge pollution
But very little solution
The environment is becoming filthy
But humans are still not guilty
Garbage is scattered everywhere
We must work for cleanliness
everywhere
Using paper bags not polythenes
Helps in making environment more neat
and clean
Expecting generation pollution free...

-SUNIDHI JAIN

**Cleanliness
Becomes
more
important
when
godliness is
unlikely.**

**Don't litter it makes
the world bitter.**

SWACHH BHARAT MISSION

After a successful implementation of Nirmal Gujarat our honorable Prime Minister NRENDRA MODI has launched Mahatma Gandhi's SWACHHTA MISSION which is a five - year cleanliness and hygiene drive which will culminate with the 150th birth anniversary of Mahatma Gandhi in 2019 . As this mission aims to scale up the sanitation and hygiene in the country there have been efforts to improve access to water, sanitation and hygiene facilities across the whole country . This mission also highlights the power of cleanliness amongst the nation. Several cleanliness drives are also being organized in the schools to encourage the students towards cleanliness. This initiative recognizes children as agents of change within their families as well as the society towards the importance of cleanliness. Narendra Modi's SWACHH BHARAT ABHIYAAN is an important step for the development of the country.
