(For PS to Class VIII)

Dear Parents

To help our students build balanced routines, nurture emotional self-regulation and build resilience, we are conducting a schedule of online fun-filled activities which shall continue till May 8, 2021, for students of classes PS to VIII. The online activity classes are peppered with fitness activities, art and craftwork, non-fire cooking and life skills.

Please encourage your ward to join the online activity classes regularly, which focus on skill-based activities and keep the students occupied constructively. The Time-table is shared in the WhatsApp group everyday.

Let us enthuse in the students the spirit of happiness and wellness.

Looking forward to your active support and cooperation.

Stay home, stay safe!

With regards

Principal
