**CIRCULAR**

Dear parents and students

In times of pandemic, doctors are the real warriors. Their unconditional support and immense contribution as saviours of humankind are remarkable.

We feel privileged to celebrate 'Doctors' Day' with some of the renowned doctors, who are alumni of our institution, on Thursday, July 01, 2021, to motivate and felicitate them for their dedication and undaunted efforts.

Let's get together online and honour them for their undaunted efforts and selfless service during the pandemic through the given link.
