CIRCULAR

Dear parents and students

‘Family is the first unit of society. With how much love, wisdom we hold our family decides how larger unit of society function’Sadhguru

#KindnessMatters is a global campaign by UNESCO MGIEP which attempts to create a positive culture of kindness in which every young person’s selfless act matters. It aims to mobilise world’s youth to achieve 17 Sustainable Development Goals through transformative acts of kindness. In order to instill the greatest virtue of kindness amongst the students, our school is willing to participate and contribute in this campaign.

“Charity begins at home” is an old saying which means that our family should be at the top of our priority. Our family has taken care of us for years. The family members have enabled us to do what we are today. Each one of us can help in bringing smile on their faces by doing some good deeds and living up to their expectations.

To be a part of the **fourth month** of this special drive, kindly write your kindness deed story in minimum 100 words which should be a **real, authentic kindness act done or seen** by the participant and fill in the form provided below (include your kindness deed story along with your personal details).

The last date of submission of the form is 24th September, 2021.

Students, staff and parents all can participate and share their acts of kindness and inspire others too. Let us all unite and further amplify this Global campaign by contributing with our special stories.
