Circular No. MAMS/2021-22/29

September 16, 2021

Dear parents

We are pleased to inform you that we are now taking up the hybrid mode of learning for the students of classes IX to XII. The hybrid mode of learning caters to the needs of the students who are attending classes either in online mode or offline mode.

The teachers take up lessons and assignments with the students regularly. Please talk to the Class-teacher in case you need to discuss the academic performance of your ward.

You are requested to ensure that your ward is regular in attending the hybrid classes.

Parental supervision is mandatory during Online Teams class, SchoolEye and for the Class WhatsApp group of your ward.

Stay safe!

With regards  
Principal
