CIRCULAR

Dear parents and students

‘A warm Smile is the Universal Act of Kindness’

#KindnessMatters is a global campaign by UNESCO MGIEP which attempts to create a positive culture of kindness in which every young person’s selfless act matters. It aims to mobilise world’s youth to achieve 17 Sustainable Development Goals through transformative acts of kindness. In order to instill the greatest virtue of kindness amongst the students, our school is willing to participate and contribute in this campaign.

We have celebrated Deepawali and if you have done any kindness act in bringing smile on the faces of those who need your help by doing some good deeds, then please share and inspire others also.

To be a part of the **Sixth month** of this special drive, kindly write your kindness deed story in minimum 100 words which should be a **real, authentic kindness act done or seen** by the participant and fill in the form provided below (include your kindness deed story along with your personal details).

The last date of submission of the form is 24th November, 2021.

Students, staff and parents all can participate and share their acts of kindness and inspire others too. Let us all unite and further amplify this Global campaign by contributing with our special stories.
