

**CIRCULAR
(Classes I to XII)**

Dear Parents

The Government of NCT of Delhi is organizing the 'National Mass De-worming Campaign.' Our school shall conduct the programme on April 5, 2022 for classes I, III, V, VII and IX and on April 6, 2022 for classes II, IV, VI, VIII, X and XII. Hence, our school has been provided Albendazole tablets (कीड़े मारने की दवा) and directed that the tablet should be chewed by the students in the school on April 05, 2022 and April 06, 2022 on the De-worming Day. In case of absentees, the same medicine shall be provided to them on April 8, 2022 ie on Mop-up day.

As per the circular issued by the Directorate of Education, the drug Albendazole is a safe drug for mass administration with rare reporting of adverse effects.

You are requested to support the initiative taken by the Government of NCT of Delhi for the successful implementation of the 'National Mass De-worming Campaign.'

Looking forward to your cooperation
