DELHI**

No. MAMS/2022-23/05

April 10, 2022

Subject: Mop-Up activity of National Deworming Campaign

Dear Parents

As per the directions received from the Directorate of Education, regarding the National Deworming Campaign, it has been decided to conduct Mop-Up activity in the school from 10th to 13th April, 2022.

Mop Up activity provides the school with an opportunity to ensure that children (Classes PS to XII) who could not be administered the deworming drug between 1st to 8th April, 2022 due to absenteeism, sickness or any other reason don't miss out and get the benefit of deworming.

Looking forward to your cooperation

With regards
Principal
