Dear Parents

We solicit your support and co-operation with regard to the following safety norms:

1. You are requested not to drop your ward to the school before 7:25 am.
2. Please ensure that your ward does not remain in the school after 2:45 pm. However, in case of special classes/remedial classes, please talk to the teacher concerned regarding the timings of the classes.
3. Please ensure that your ward wears I-card to school every day and also carries the school almanac daily.
4. You are requested to send tiffin and water bottle with your ward. No material shall be accepted once your ward has entered the school premises.
5. Please ensure that the cab/van drivers have had their police verification done and are carrying proper driving license with them. Also, ensure that the vans are not overcrowded and are safe for the students to travel.
6. You are suggested to ensure that your ward is not left unattended at the van stops. Also, note that the van drops your ward to school in time and picks him/her in time in the afternoon.
7. No parent/visitor will be allowed to enter the school premises without prior appointment. You will not be allowed to meet your ward during the school hours.
8. No half day will be granted to the students. Children should not be taken back home during school hours unless there is an emergency. In case of any illness or social engagement, do not send your ward to school as no half day shall be granted. Students will not be allowed to leave the school premises before 2.05 pm.

You are requested not to send your ward to school if he/she is not well as he/she will not be allowed to attend school or write the examination/test during illness.

Looking forward to your support for the safety of our children.
