Social Science

Activity 1

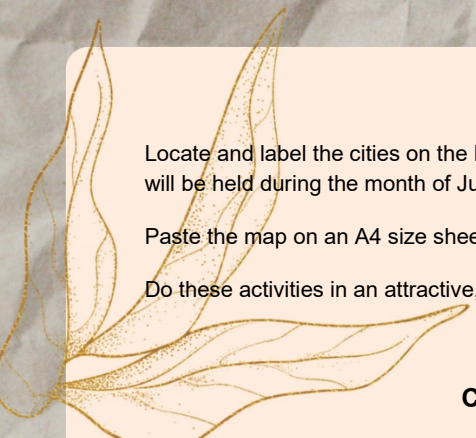

Art Integration in Learning

We are proud of the Diversity of India. Our country has eight Union Territories. Andaman and Nicobar is a unique UT. Let us understand it by making a project depicting the culture of the Andaman and Nicobar Islands. Give relevant information through drawing images, and writing and pasting pictures on the given topic. Do this activity on 3 to 5 sheets of A4 size.

Activity 2

G20 Summit - Presidency of India

We Indians are enthusiastically holding meetings of G20.

Locate and label the cities on the Political map of India where the meetings for the Summit will be held during the month of June 2023. Do your work neatly.

Paste the map on an A4 size sheet.

Do these activities in an attractive, colourful and innovative manner.

COMPUTER SCIENCE

1. Make a chart on Cyber security awareness using an A4 size sheet
2. Create an HTML webpage on the topic member of the G20 group.

Note: No need to have a hardcopy of the Html page.

Music

Learn the song and write "Hum Honge Kamyab" on an A4 sheet.

Art

Draw MADHUBANI ART on an A4 Size sheet
