Dear Parents

"The newspaper is a greater treasure for the people than uncounted millions of gold."

Henry Ward Beecher

Newspaper in Education is an integral part of students' curriculum. The regular reading of students' edition of newspaper enhances linguistic skills, broadens the vision, increases general knowledge and acquaints them with the world outside. Therefore we are beginning with the subscription of newspapers for students from classes IV to XII. You are requested to motivate your ward to subscribe it and incorporate it in their daily reading habits. The details of the same are as following.

Class	Name of Newspaper	Duration	Amount
VI-VIII	Hindustan Times	6 months	275
IX-XI	The Times of India	6 months	275
XII	The Times of India	7 months	325

Please send the amount through your ward latest by April 20, 2023

We solicit your cooperation in making newspaper reading an integral part of our education.
