MAHARAJA AGRASEN MODEL SCHOOL

[Sr. Secondary]

CD-BLOCK, PITAMPURA, DELHI- 110034

Circular No. MAMS/2026-27/08 April 27, 2026

Subject: Precautionary Measures to be Followed During Heatwave Conditions

Dear Parents and Students

In accordance with the directions issued by the Directorate of Education, GNCT of Delhi, regarding the prevailing heatwave conditions and safety of students, the school is implementing the following precautionary measures with immediate effect.

School Measures:

- Outdoor Activities: All outdoor classes and physical activities are being curtailed or conducted in shaded/indoor areas.
- Water Bell Initiative: A “Water Bell” is being rung at regular intervals to remind students to stay hydrated.
- Drinking Water: The availability of safe, cool drinking water will be ensured at multiple points in the school.
- Classroom Environment: All classrooms are properly ventilated with functional fans/cooling systems.
- Awareness Sessions: Students are being sensitised about heat safety, hydration, and symptoms of heat-related illnesses.
- Buddy System: Students are encouraged to look after each other’s well-being during school hours.

Instructions for Parents:

- Ensure your ward carries an adequate water bottle to school daily and has an adequate breakfast in the morning.
- Dress your child in light, breathable cotton clothes.
- Encourage children to maintain personal hygiene and stay hydrated.

Health & Safety Advisory:

Students should immediately inform teachers if they experience symptoms such as:

- Dizziness or weakness
- Nausea or vomiting

- Excessive sweating or dehydration

Immediate first aid and medical attention will be provided, if required.

The school seeks your cooperation in ensuring the health, safety, and well-being of all students during this period of extreme weather conditions.

Warm regards
Principal
