## Maths

### **PART -A**

#### **Q1. Art Integrated Learning**

Project on Lakshadweep Islands

“Lakshadweep, the group of 36 islands is known for its exotic and sun-kissed beaches and lush green landscape.

Out of 36 Islands 10 are inhabited (which also are sub-divisions of Lakshadweep).”

Make a list of the population of each Inhabited island in numbers and

- a. Write it in words

- b. Write it in expanded form
- c. Arrange them in ascending and descending order.
- d. Find out the most densely and sparsely populated island.

### **PART - B**

Q2. Make a clock using waste material and write numbers on it in Roman Numeral form.

Q3. Measure the width of the main door of your house and accordingly make a bandhanwar for it using cut outs of geometrical shapes. (You can use coloured paper for cutouts)

Q4. Complete the grid.

	1000			1003
2020		2022		
4499			4501	
		7835		
	9997			9999

Colour the even number box with green and odd number box with yellow.

Q5. Learn tables 2 to 10.

**Note** – Do Q1 and Q4 on A4 size sheets.

## **Environmental Studies**

### **PART A- Art Integrated Learning**

1. Lakshadweep is a union territory with beauty of nature. Let's explore Lakshadweep by doing this activity.

- a) Using an A4 size sheet, create a **collage** depicting the natural beauty of Lakshadweep.
- b) Make an **itinerary** of four days to visit Lakshadweep. Do include places of Tourist attraction. (Do it on A4 sized sheet)

## **PART B**

2. It is the blazing Sun that makes summer days so hot. Yet we would not be able to survive without the Sun. It helps us in many ways. Write all the **uses of Sun ( like drying clothes, Photosynthesis etc )** on A4 sized sheets and paste pictures to support your answer.

3. Our body is a wonderful machine. As machines need regular oiling , our body also needs some important things to stay fit and healthy. Make a poster and write a Slogan( on A4 sized sheet )celebrating **Yoga day** on June 22.

3. Adopt a plant in your locality and take care of it.

## **Computer Science**
