Subject: Dispersal Procedure Update for Class III

Dear Parents and Students

You are requested to note some modifications in the dispersal procedure for the safety and convenience of our students.

With effect from February 24, 2024, we request all parents to wait for their wards near the CD gate lobby (glass door) during the dispersal time. The Class Teachers will be at the CD gate lobby (glass door) to hand over the students directly to you.

Regarding students using vans for dispersal in the afternoon, the children will independently move to the vans parked in the assembly zone.

These measures are being taken to enhance the safety and security of our students and maintain a well-organized dispersal system.

We appreciate your cooperation in adhering to these guidelines.

Thank you for your understanding and cooperation.

With warm regards

Principal
