**Circular No. MAMS/2024-25/21**

**May 21, 2024**

Dear parents and students

The school will remain closed for summer vacation for the students of classes PS to VIII from Friday, May 17, 2024, and will reopen on Wednesday, July 03, 2024.

During this delightful break, we encourage our students to seize this opportunity and engage in enriching and productive activities. Homework for the summer vacation has been uploaded on the school website under "[Homework for Summer Vacation](#)" and on SchoolEye. We kindly request parents to ensure that their children complete the assigned tasks independently, as these will be considered for Internal Assessment.

Furthermore, we strongly encourage students to delve into their passions and talents by embracing hobbies that ignite their interests. Engaging in such pursuits not only nurtures creativity but also offers a deeply satisfying avenue for self-expression during the vacation period.

Maintaining physical well-being is of utmost importance. We encourage students to adopt a regular fitness routine and nourish themselves with a balanced diet. Especially during the warmer months, staying hydrated is crucial for overall health. Furthermore, involving children in household chores instills a sense of responsibility and equips them with valuable life skills.

We extend our heartfelt gratitude for your unwavering support and cooperation in all our endeavours. Your involvement and encouragement play an instrumental role in the growth and development of our students.

We convey our sincere wishes for your enduring health and boundless happiness.

Wishing you a rejuvenating and joyous summer vacation!

With regards

Principal
