Subject: School Innovation Marathon 2024-25

Dear Students

We are pleased to inform you about an exciting opportunity to showcase your creativity and innovation in the *School Innovation Marathon 2024-25*—India's largest school innovation challenge! This prestigious event is organized jointly by the Ministry of Education, Atal Innovation Mission (AIM), NITI Aayog, and the Ministry of Education's Innovation Cell (MIC).

The *School Innovation Marathon* invites students from schools across the country to identify community problems of their choice and develop innovative solutions in the form of working prototypes. This is your chance to make a difference and contribute towards building a "Viksit Bharat 2047"—a vision to transform India into a developed nation by 2047.

Highlights from Last Year's Marathon:

- Over 19,000 innovative ideas and projects were presented.
- Top 400 teams were offered internship opportunities through the SIP program.
- The Top 75 teams received mentorship through the SEP program.
- Prizes and certificates were awarded by AIM, NITI Aayog to outstanding students.

Themes for SIM 2024-25: "Viksit Bharat 2047."

We encourage you to start your research, generate innovative ideas, and work on solutions that can contribute to India's development goals.

Interested students can submit their ideas using the following link: https://bit.ly/mams_sim2024. The last date for submission is October 15, 2024.

For detailed information and to begin your journey of innovation, visit the official website: <https://schoolinnovationmarathon.org/lp/index.html>.

Let's come together and innovate for a brighter future!

With regards

Dr. Pratibha Kohli
Principal
