

MAHARAJA AGRASEN MODEL SCHOOL

(Sr. Secondary)

CD-BLOCK, PITAMPURA, DELHI- 110034

Circular No. MAMS/2025-26/115

February 25, 2026

Dear Parents

It has been observed that some students are increasingly engaging in online games and video games. A few students are also spending considerable time playing such games at home, which is affecting their focus towards studies and academic preparedness.

Excessive involvement in online games and social media can distract students from their studies. With the annual examination approaching, students should put in their best efforts towards enhancing their performance in academics.

We request that you monitor your ward's time and discourage excessive use of social media and video games at home.

Your cooperation in reinforcing the importance of discipline, time management, and academic focus at this crucial time will greatly benefit the students.

Let us work together to guide our children towards responsible habits and academic success.

Warm regards

Principal
