Circular No. MAMS/2023-24/63

November 25, 2023

Dear parents and students

In continuation of collaboration proposal received from Ladli Foundation dated 06.11.2023 for its upcoming event "Admission Avenue", an International Education Fair will be held at Pragati Maidan, New Delhi, on April 19 and 20, 2024.

The primary aim of the International Education Fair is to offer students a platform for exploring opportunities related to admissions and scholarships at renowned Indian and International universities for their higher education. The event's purpose is to showcase leading global educational institutions and enable direct interaction between students and the eminent teams, guiding them towards their preferred educational paths. Hence in the pursuit of providing students with the finest career prospects, the Directorate of Education has partnered with the organizers for the realization of the event.

Interested students may register at WWW.LADLIFOUNDATION.ORG or with the following link to get the free of cost access to participate in this international education fair latest by November 30, 2023.

Registration link for Students is
