[Sr. Secondary]

Circular No. MAMS/2025-26/18

## Subject: Payment of arrears of fee and dues of your ward/s

Dear Parents,

This is in continuation of our various earlier reminders/notices regarding the above subject. It has been found that there are still a substantial number of parents who are in arrears of fee and other dues of their ward/s payable to the school.

As you are aware that this school is a private unaided recognised school, the school is run only by the funds generated from the fees and other dues collected by it. Further, the amount collected from the fees is used for the purposes of disbursement of salaries to staff and the upgradation of infrastructure of the school for providing various activities and facilities to the students. In the event parents start defaulting in adhering to the fee schedule, it actually harms the academics and the infrastructure of the school and in turn, the ultimate loss is that of the students only, because the school is not in a position to provide better facilities to the students due to paucity of funds. Therefore, for the overall growth and progress of the school and its students, it is imperative that the parents and school work together in harmony, so as to maintain the requisite standards of education and ensure that the staff is suitably and timely remunerated for their efforts and proper facilities for sports and co-curricular activities are also provided to the students.

**Therefore, it is humbly requested to all the parents whose wards' fee is overdue that they should clear all their wards' dues/arrears of fee on or before the 31.05.2025.**

Kindly note that, late fee fine of Rs.10/- per day will continue to be levied, from the date fee is due, till the date of payment.

Please ignore this , if the dues have already been cleared as per details on School Eye.

Warm regards

Principal
