**Subject: Important Notice for Private Bus and Cab Drivers Regarding Safety Measures**

Dear Parents

Ensuring the safety and well-being of our students is our top priority. In this regard, we seek your cooperation in implementing the following measures for private buses, vans and engaged by parents in transporting children to and from school:

- 1. Mandatory Police Verification for Drivers:** All private busses and vans drivers must submit a valid police verification certificate to the school office by January 22, 2025. This is a crucial step to ensure the safety of our students.
- 2. Presence of a Lady Attendant/Mother Volunteer:** Parents are requested to ensure that a lady attendant or mother volunteer is present in private buses and vans during the commute. This is essential for monitoring the children's safety and comfort.
- 3. Undertaking on Passenger Limits:** Drivers of private buses and vans must provide a signed undertaking stating that the number of children being transported does not exceed the permissible limits set by the authorities. This ensures compliance with safety norms and avoids overcrowding.

We urge all parents to:

- Coordinate with the private transport providers to facilitate the timely submission of police verification certificates.
- Confirm the availability of a lady attendant/mother volunteer during the commute.
- Regularly discuss these safety measures with the transport providers to ensure strict adherence.

Please treat this matter with the utmost importance.

We deeply appreciate your cooperation in safeguarding the welfare of our students. Should you have any queries or require further assistance, feel free to contact the school office.

Thank you for your understanding and support.

Warm regards

Vice Principal
