

MAHARAJA AGRASEN MODEL SCHOOL

CD-BLOCK, PITAMPURA, DELHI

Circular No. MAMS/2023-24/22

May 20, 2023

Subject: (For Classes PS to VIII)

Dear parents and students

We would like to inform you that the school will be closed for summer vacation for students in classes PS to VIII starting from Thursday, May 18, 2023, and will reopen on Monday, July 03, 2023.

During this break, we encourage students to make the most of their time by engaging in productive activities. Homework for the summer vacation will be uploaded on the school website [Homework for Summer Vacation](#) and on SchoolEye. We request you ensure that your ward completes the assigned homework independently, as it will be considered for Internal Assessment.

Moreover, we strongly recommend that students pursue a hobby of their interest and skill. This will not only help them discover and develop their talents but also provide a creative outlet during the vacation.

It is essential for students to prioritize their physical fitness as well. We encourage them to follow a regular fitness regime and maintain a balanced diet. It is crucial to keep children well-hydrated, especially during the summer months. Additionally, we emphasize the importance of involving children in household chores as this will foster a sense of responsibility and teach them valuable life skills.

We would like to express our heartfelt gratitude for your continuous support and cooperation in all our endeavours. Your involvement and encouragement play a significant role in the growth and development of our students.

We urge everyone to prioritize their well-being and that of their families. We sincerely wish good health and happiness to all of you.
Have a joyous summer vacation!

With regards and best wishes

Dr Pratibha Kohli
